UNSTARRED QUESTION NO:3101
ANSWERED ON:16.03.2016
Passengers Utility Items
Nimmala Shri Kristappa

Will the Minister of RAILWAYS be pleased to state:

- (a) whether any monitoring mechanism exists in the Railways to check missing items from the train coaches which are meant for passengers utilization;
- (b) if so, the details thereof; and
- (c) the corrective steps taken by the Railways in this regard?

Answer

MINISTER OF STATE IN THE MINISTRY OF RAILWAYS

(SHRI MANOJ SINHA)

(a) to (c): Yes, Madam. All the passenger amenity items fitted in coaches are checked during various maintenance schedules in coaching depots as well as during periodical overhauling in workshops. Besides, inspections/checks are also carried out at various levels of officers/officials to check the condition of these items from time to time and deficiencies, if found, are rectified on a regular interval.
